1) Submitted:

2) In Govt order no SD 6300-2/A53-43-4, dated the 14th March 1946, sanction was accorded for payment of Rs 50/- per mensem for Bandi Seshamma's chawlby. It is now stated that the rent fixed in the G.O. was for the ground floor of the building. It will be seen from the Deputy Commissioner's letter of 26.7.46 that the upstairs of the building had been formerly let out to the Burmah evacuees free of rent and that as the Food Dept also claimed the same concession the question of fixation of rent for the upstairs where the Divisional office and Standard shop Depot are situated was in dispute

4) For orders.

5) The Dept has not stated from which date rent has to be paid for the top floor and from when the rent for the ground floor has to be enhanced. It is also not known from when the Food Dept. took charge of the top floor. In the G.O. fixing a rent of Rs 50/- per mensem for the Chawlby, it is said that the accommodation would be sufficient to hold 1500 bags. Whether the ground floor itself has so much capacity is

SIR,

Subject: Bandi Seshamma's Choultry - Fixing of rent.

In inviting your kind reference to G.O. No. SD.6300-02/A.53-43-4 dated 17th March 1944 sanctioning a rent of Rs.50/- per mensem for the ground floor of the above building, I have the honour to state that the Secretary of the above Choultry has urged for an enhancement of rent for ground-floor and fixation of rent for upstairs occupied by the Food Department. The Deputy Commissioner, Bangalore to whom the matter was referred to, states in his letter No.F5.23/46-7 dated 26th July 1946 (copy enclosed) that an enhancement of Rs.10/- for groundfloor and a rent of Rs.50/- p.m. for upstairs is reasonable.

2. In the above circumstances, I request that orders of Government may kindly be obtained, to fix the rent of the entire building at Rs.110/- (Rs.60/- for the ground floor and Rs.50/- for the upstair) as recommended by the Deputy Commissioner, Bangalore, and communicated to me early.

With reference to your letter No.E2.Pr.220-C.5648/45-46 dated 11th May 1946, I have the honour to state that a sum of Rs.50/- p.m. has already been sanctioned for the ground floor in G.O. No. SD.6300-02/A.53-43-4 dated 17th March 1944. The Secretary of the Institution now requests for the enhancement for the portion i.e., ground-floor and fixation of rent for the upstairs. The upstairs portion was stated to have been let to Burmah evacuees free of rent formerly. The Food Department also claimed the same concession. Hence the question of fixation of rent for the upstairs wherein Divisional Office and Standard Cloth depot are situated, was in dispute. This question was asked to be investigated and needful done in your No.E3. Pr.220/C.5648/44-45 dated 25/26th June 1945. Then the question was referred to the Sub Division Officer and Civil Officer for investigation and report.

The Sub Division Officer and Civil Officer reports that an enhancement of Rs.10/-for the ground-floor raising the rent to Rs.60/- p.m. and a rent of Rs.50/- for the upstairs is reasonable. I agree with the Sub Division Officer and request the favour of sanction at an early date.

Copy of letter No,SE 94/23-11-1943 from the Secretary,Seshamma's Choultry,Bangalore City.

I wish to inform you that the Food Inspector No. II Division has occupied the two rooms in upstairs since 11 months. The rent will come up to Rs. 1-8-0 per day for 10 months= 45x10= 450.They have not paid even a single pie towards the rent. The down portion of the Choultry is occupied by the Special Amildar for storing rice bags since 5 months. The rent will come up Rs 60x5 = Rs 300/-- Since this is a charitable institution which depends upon rents from the traveling public, the choultry cannot forego such heavy rents. The marriage parties are put to lot of inconvenience. The travellers are very much inconvenienced. Even the compound of our choultry is occupied by the fuel depot and they have not removed the fuel from the compound the choultry.which is causing great inconvenience to the students as well as travellers. The Deputy Commissioner has opined that the upstairs occupied by the Food Inspector should be given free of rent. This is detrimental in the interest of the institution which depends mainly upon the rents that come from the public as well as from marriage parties. I request you to kindly make a reference to the Government and see that the choultry is liberated at an early date.

With reference to your memo No. F5-23/47 dated 3-5-1947 on
subject, I have the honout to state that from a perusal of th
references on the subject it is seen that the upstairs portion
choultry was taken overby the Food Department on the 20th Jam
for the use of the Food Inspector, of the IInd Dvision. The
floor is seen to have been taken for storing food grains in th
of June, 1943. This is evident from the letter of the Secreta
the Choultry dated 23-11-43 forwarding copies of resolutions o
Committee of Management. Copy of the resolutions is enclosed
for favour of perusal.

The exact date of occupation is not available in this offic
pect of the ground floor, which had formerly be n used for acc
ing the Burmah evacuees free of rent and subsequently taken ov
storing food grains. The open space behind the Choultry had
used for stocking fuel. The Secretary has in his letter quote
referred to the existence of this storage even at that ti-e.
seen from the report of the Food Inspector of this division bea
No. T. 1020/44 dated 20-2-45 and the reports of the other offic
of the Rationing Department, that they also are not aware of th
date from which the ground floor and the open space were used f
ing foodgrains and fuel respectively.

The rent for top floor including two rooms and the open spac
ween them have been already fixed at Rs 50/- p.m. and this has t
paid from 20-1-43, the date on which it is reported they were o
But this is without the corroboration by the Departmental Office
they do not know the exact date of occupation. Since however th
retary of the Insitution has immediately demanded the payment of
as per resolutions of the Committee of the Management, the date
cupation may be taken to be 20-1-43.

The rent of Rs.50/- for the ground floor is proposed to be en
to Rs.60/- so as to include the rent for the open space used fo
ing fuel also. Kind reference is invited to the report No.HPO.2
dated 15-6-1946 on the subject wherein my predecessor has stated
the ground floor used for the Food Depot and the vacant space in
compound used for Fuel Depot may both be assessed to a rent of Rs
p.m. which may be deemed to cover the damages complained of by th
cretary. As regards the date from which the enhanced rent is to
paid, since the Rationing Department itself is not aware of the d
occupation, this may be taken from June 1943. The rent has to b
paid from that date.

At the time of fixing the rent for the ground floor, the build
had been inspected by the Assistant to the Civil Officer, and the
city of the portion was reported to be 1,500 bags. Since the Ass

Even the compound of our choultry is occupied by the fuel depot and they have not removed the fuel from the compound of the choultry which is causing great inconvenience to the students as well as travellers. The Deputy Commissioner has opined that the upstairs occupied by the Food Inspector should be given free of rent. This is detrimental in the interest of the institution which depends mainly upon the rents that come from the public as well as from marriage parties. I request you to kindly make a reference to the Government and see that the choultry is liberated at an early date.
